## MINUTES

### Lawrence Township Shade Tree Advisory Committee

October 26, 2009

Members Present: Carmine Di Sanzo, Edward Sproles, Rosemarie Clark and Doris Weisberg.  
Members Absent: Alvin Geser, Councilman Michael Powers  
Others Present: Andrew Link, Staff Liaison

Chairman Di Sanzo convened the meeting at 7:30 PM.

- The September minutes were approved.
- Doris Weisberg reported on the Shade Tree Federation annual meeting. She will do additional research into the "one day one school" clean up program that was presented.
- The Committee suggested that the next tree planting grant be used to continue the tree planting northward on Princeton Pike. They also wished to investigate the possibility of tree planting on Helen Ave. which was a request that they received at Community Day.
- The Committee decided that they were not prepared to present at the Library's Environment Fest. They will send a representative and participate next year if it is repeated.
- Councilman Powers informed the Committee in an e-mail that the Jackson Township tree ordinance is being reviewed by the Township consultant planner and attorney.
- The Notre Dame High School application was reviewed. The Committee thought the planting should not only involve the detention basin and they will request confirmation that no trees are being removed.

The meeting was adjourned at 9:00 PM.

Respectfully submitted,  
J. Andrew Link  
Principal Planner
