THE TOWNSHIP OF LAWRENCE ASKS RESIDENTS TO SIGN-UP TO RECEIVE LOCAL ALERTS

Lawrence Township Residents Can Now Receive Real Time Public Safety Messages From Lawrence Township Through Nixle

The Township of Lawrence (Mercer County) is switching to Nixle for its Community Notification System to alert residents in real-time for localized emergency situations and relevant community advisories. The switch to Nixle will enhance Lawrence Township's ability to keep the community informed and engaged in community events, traffic advisories and emergencies occurring in the Township in real time. This will allow residents and commuters to be aware of incidents when they occur and to use alternate routes if necessary.
