

# ATTENTION LAWRENCE TOWNSHIP RESIDENTS

## 2020 LEAF COLLECTION PROGRAM

Leaf collection will begin on November 2, 2020.

Residents will continue to place loose leaves at the curb for collection.

The Township will assign (1) one leaf collection crew to each brush zone for approximately eight weeks of collection. Each crew will continue to collect leaves in your zone on a “street by street” basis through December 31, 2020. Residents can expect three (3) collections during this period.

During the month of November and December, **BRUSH COLLECTION WILL BE SUSPENDED. DO NOT PLACE BRUSH AT CURB FOR PICK-UP.**

Leaves shall be placed ten feet from any storm drains.

The revised procedures have been implemented to adhere with the new Municipal Stormwater Regulations. This program is intended to give residents a more efficient leaf removal while protecting the environment.

Leaves shall be placed in an area of the street or road edge not greater than four feet (4') from the edge of the pavement. There is no restriction on the pile length for leaf collection.
