What is the Opioid
Settlement Advisory
Council?

How will this new
council help our
communities?

The Opioid Settlement Council will facilitate the distribution of settlement funds to enhance the delivery of services targeting Opioid Use Disorder (OUD) and other forms of Substance Use Disorder (SUD). The Council seeks to build collaborative relationships with community stakeholders and between local, county, state, and federal agencies, and to leverage those relationships to plan, coordinate, and implement county-level initiatives that will address high-priority needs and improve access for at-risk populations.

RSVP by January 5 for the January 6 session to OpioidSettlement@mercercounty.org.
RSVP by January 15 for the January 16 session to OpioidSettlement@mercercounty.org.

Please direct any questions to OpioidSettlement@mercercounty.org or 609-278-4828.
